Family Portrait Complete Package

This favourite package includes a framed wall portrait for yourselves and plus 2 - 8x10 and 6 - 5x7 (or equivalent) from up to 3 poses, for friends and relatives. Sitting fee not included in package price.

Standard Package 20X24" Size ...\$729
Small Package 16X20" Size ...\$639

Wall Portrait includes your choice from 39 frame styles and your choice of Matte, Lustre, or Canvas Finish.

Free Retouching on Every Portrait No need to worry about blemishes, lines around the eyes or on the neck, wrinkles, scars, or bags under the eyes. Problems like this are reduced or removed. We can even whiten teeth slightly all at no extra charge.

The Proofs: We are now using "Video Proofs", your proofs will be shown on a monitor. This new system is terrific, not only can you see your images after your sitting and in a large size but we can now zoom in to each face making it so simple to choose the best expression and to check for "blinks" etc. Old style paper proofs are not produced with the new system so there is nothing to take home.

One in-studio proof viewing is included at no charge. Additional in-studio proof viewings from the same sitting... \$40

On-line proofing is available to out of town clients on prepaid packages only.

Off With Their Heads \$19 We can do a simple head swap if we need to replace the head of someone blinking or looking goofy.

Pony Express Service If you require photos mailed the cost is \$9 and up based on size and destination.

One Low Resolution, Retouched Digital Image (same pose as your package)

for emailing, Facebook, MySpace etc.

Finishes & Options

Framed: Portraits are complete, framed, retouched and mounted and laminated or on artist's canvas. You have 39 frames styles to choose from.

Canvas Wrap: Portraits are retouched, laminated and canvas mounted so that it wraps around the thick edges of the portrait.

Ready to Frame: Great if you all ready have a frame or would prefer to frame it yourself. Portraits are retouched and mounted, your choice of lamination or on artist's canvas.

Laminated Finish: Excellent protective finish for your portrait, no need for glass.

Canvas: Portrait is pressure mounted to an artist's canvas, to give it the look, texture and feel of an oil painting.

Free Retouching on Every Portrait: No need to worry about blemishes, lines around the eyes or on the neck, wrinkles, scars, or bags under the eyes. Problems like this are reduced or removed. We can even whitened teeth slightly all at no extra charge.

This is Just Plain Weird: Every studio in the world charges you to upgrade to a canvas finish. But we don't! This could save you \$100 or more on each wall portrait.

Head Swap (when possible) \$19
Occasionally on group photos everyone looks perfect except for one person who may be blinking or not smiling. We can use Photoshop to copy their face from a similar pose and paste it into the group photo.
